

Section 6: The commander has the power to veto any part of a skirmish program which is obviously contrary to the Skirmish Rules or other rules or policies of the North-South Skirmish Association or the Midwest Region. (see ARTICLE VIII, Section 5 of the by-laws of the North-South Skirmish Association, Inc.)

Section 7: In the Midwest Region a competing organization is expected to use its own members whenever possible. Organizations shall not set aside or farm out their own members in order to use pick-ups from other organizations.

Section 8: Participants in Midwest Region skirmishes must wear their organization's approved uniform.

Section 9: Stakes, pickets, or any other "wood" targets excepting wood blocks shall be made of single-thickness particle board.

Section 10: The Midwest Region may adopt, by a majority vote of the member organizations present at a meeting, such rules as may be desired for the regulation of regional skirmishes, provided such rules are not contrary to the Skirmish Rules or the by-laws of the North-South Skirmish Association, Inc.
